

SUMMARY

"FLAT DENIM FABRIC (INDIGO) - IN A SERGE OR SCREEN STRUCTURA WITH THREADS OF SEVERAL COMPOSITIONS - PRINTED ON THE REVERSE SIDE FOR USE IN CLOTHES"

A flat denim fabric (indigo) is described which has a traditional finish in the obverse side and prints on the reverse side, making possible the production of clothes that can be dressed either on its obverse side or on its reverse side, double-face, such a fabric being particularly suitable for pieces of garments, in addition to making possible differentiated laundry finishes on both sides.
